

Dear sir/Madam

I am writing to express my strong interest in being the next full stack developer at I Creation Technology. With my skills and background , I am confident that I will surpass your expectations for this role.

I have proficiencies in HTML, CSS, JavaScript and am familiar with SQL. I also have solid foundation in Mongo DB, Express, React JS, Laravel, Node JS. In addition to 6 months of working experience, I hold a BSC(HON) in Computing. I have done 4+ projects in full stack development using MERN stack technologies and others more projects on Laravel and android.

I am confident that you will find my hands on experience, qualifications and proficiencies make me an excellent candidate for the full stack developer position at I Creation technology. Thank you for the your time and consideration. Please let me know if there is anything further you need from me.

Sincerely

Ashish Pokhrel
